AUDIO & NAVIGATION

Suzuki audio and navigation accessory systems are some of the most sophisticated on the road. Upgrade satellite navigation ensures that you reach your destination effortlessly. Accessory audio keeps you entertained and, thanks to mobile connectivity, you can plot your route and select a playlist for the stereo using voice commands to your phone. For detailed information please check our separate Audio & Navigation catalogue.

Suzuki's "Way of Life!" is the heart of our brand - every Suzuki vehicle, motorcycle and outboard motor is built to create excitement so customers can enjoy everyday life.

Suzuki Genuine Accessories have been specially designed for Suzuki cars and are subject to the same quality standards as the car. Please note that only Suzuki Genuine Accessories have been tested and cleared for use by Suzuki. The necessary instructions can be found in the relevant manuals. It is possible under some circumstances that the installation and/or use of other accessory parts could have a negative effect on the structural characteristics of your car and thus reduce driving safety. Suzuki cannot accept any liability for damage caused by the use of accessories other than Suzuki Genuine Accessories.
